

Paramount

Digital User Guide

Design and development a digital asset that offers brief overviews of Paramount's primary healthcare insurance offerings for businesses, plus with quick access to additional information and more comprehensive PDF documents to download or print.

TARTA

Grand Opening Invite

Design a direct mail piece to invite the public to the grand opening of a new maintenance facility for Toledo Area Regional Transit Authority (TARTA).

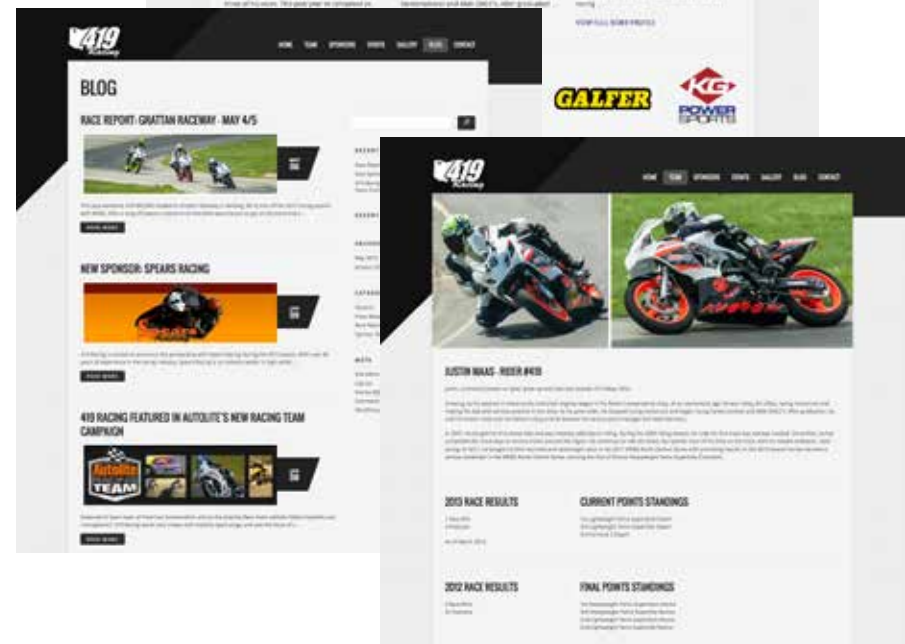

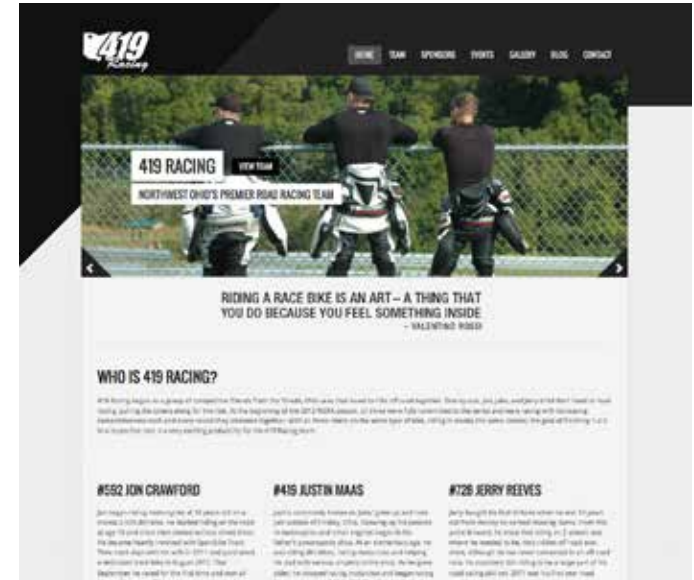

419 Racing

Logo, Race Bike Graphics, and Website Design

Design and develop a logo, race bike graphics, and a website for a local road racing team from Northwest Ohio.

The RightThing

Print Ads

We help you find the perfect match.
Those who can drive your productivity. As the nation's premiere RPO provider, we'll turn your most complex hiring initiatives into a simple, custom process that delivers the right fit for your culture. Whether you're hiring 100 or 10,000. The RightThing takes a strategic approach to hire with your corporate objectives. With the right experience, technology and resources, your company can rise to one particular level. That of your ambitions.

Develop a new ad to better vocalize the The RightThing's stance as one of the top recruitment process outsourcing (RPO) providers with secondary focus on customer service and being a hiring partner.

Produce an ad to showcase a software breakthrough that takes the complexities out of global hiring. Combining sourcing, contact relationship management (CRM), applicant tracking, onboarding, reporting, and compliance into one unified platform, everything's easier and faster.

Talent acquisition strength beyond belief.

RightThing Recruit™ is a software breakthrough that takes the complexities out of global hiring. Combining sourcing, recruiting, contact relationship management (CRM), applicant tracking, onboarding, reporting and compliance into one unified platform, everything's easier and faster. Born of and created by recruiters, it provides stronger performance with improved results. Others may offer you software, but everything's extra. At The RightThing, there's only one extra. The extra success in your work day. For more information, visit www.rightthinginc.com.

All the companies on this page are competing to hire the best people.
(In this awakening economy, how will you perform?)

Talent is at a premium. Companies like yours are pursuing people who can drive productivity and, in turn, the stock price. As a trusted strategic partner, The RightThing can help - by turning your most complex hiring initiatives into a simple, custom, strategic process. One that delivers the right fit for your company.

As the #1 RPO provider, we have the experience, technology and resources to help your company rise to one particular level. That of your ambitions.

Visit www.rightthinginc.com for revealing case histories.

AIGA of Toledo

Urban Forest Outdoor Banner

The Urban Forest Project is a series of unprecedented outdoor exhibitions taking root in cities around the world. This unique environmental, public arts and educational initiative calls on artists, designers and students in each location to employ the idea or form of the tree to make a powerful visual statement on banners that are displayed throughout the community.

Ohio Lottery

Floor Graphic

Design a call to action piece, placed in front of the MP Station, to promote Ohio Lottery's KENO during the March Madness season.
